

**A RESOLUTION IN SUPPORT OF THE REPLACEMENT OF LINDSEY GRAHAM
AS SENATOR FOR THE STATE OF SOUTH CAROLINA**

Whereas, it is the responsibility and right of this Executive Committee, and of all Republicans, to speak in support of, and to act in the defense of, the long-established and fundamental principles of the Republican party as contained in the South Carolina Republican Party Platform; and

Whereas, when any official elected to any position as a Republican repeatedly acts in contravention of these principles, it is the duty of all South Carolina Republicans, including this body, to protect and defend these principles by stating publicly its disapproval of that official's actions, especially where the matters involved are fundamental and not open to reasonable dispute among those who are in good faith general agreement with the fundamental principles of the party platform; and

Whereas, when any official continues to engage repeatedly in a course of conduct that violates fundamental principles of the South Carolina Republican Platform, even after such actions have been publicly called to his attention, it is the responsibility of all Republicans, including this body, to take such remedial measures as are reasonably available to them, always placing the interests of the People and our Principles ahead of any Party or Personal interests that may appear to be in temporary conflict with those interests; and

Whereas, while entrusted with the office of Senator by the voters of South Carolina, Lindsey Graham has committed a long series of actions that we strongly disapprove of and hold to be fundamentally inconsistent with the principles of the South Carolina Republican Party, among which are the following:

1. **Voted to Confirm Obama radical appointment to Bureau of Consumer Financial Protection:** In July of 2013, Senator Graham voted with the Democrats to confirm Richard Cordray, a noted leftist promoter of aggressive economic regulation, as head of the Consumer Financial Protection Bureau, while Senator Scott voted in opposition. http://www.senate.gov/legislative/LIS/roll_call_lists/roll_call_vote_cfm.cfm?congress=113&session=1&vote=00173

5. **Supported abridging the First Amendment for those who criticize the government:** In June of 2013 Graham displayed a similar cavalier attitude about restricting freedom of speech: "Who is a journalist is a question we need to ask ourselves," he said. 6. **Supported massive new internet sales tax:** In May of 2013, Graham joined Democrats in voting to pass a massive new internet sales tax with burdensome reporting requirements. Senator Scott and most Republicans opposed the bill. <http://www.fitsnews.com/2013/05/07/us-senate-passes-internet-sales-tax/>

8. **Supported Obama's drone program against American citizens:** In March of 2013, when Republican Senator Rand Paul bravely stood up to the White House to seek reassurances that drone strikes would not be used on American soil in contravention of the Constitution, Senator Graham stated that he was "disappointed in Senator Paul and that his positions were 'not a Republican view.'" <http://www.mediaite.com/tv/lindsey-graham-slams-rand-paul-gopers-cheering-him-pauls-position-on-drones-not-%E2%80%98a-republican-view%E2%80%99/> <http://www.politico.com/story/2013/03/john-mccain-lindsey-graham-blast-rand-paul-filibuster-88564.html>

Senator Graham was reported to have said that Congress might need to explore the need to limit some forms of freedom of speech, in light of Tennessee pastor Terry Jones' Quran burning, and how such actions result in enabling U.S. enemies. "I wish we could find a way to hold people accountable. Free speech is a great idea, but we're in a war," Graham told CBS' Bob Schieffer on "Face the Nation" Sunday <http://nation.foxnews.com/koran/2011/04/04/senators-want-punish-koran-burning>
